For information regarding materials, colours, drawings and the use of our items, please refer to pages 124/125.

Practical tab for easy removal.

Flexible shaft ribs for accommodating large tolerances.

Suitable for bore holes and internal threads. Can also be used for special pipes with union nut. The ribs engage into the thread and position the union nut at the end of the conductor.

You might also be interested in the following products: GPN 305, GPN 308, GPN 310, GPN 615
