poeppelelmann.com/en/gpn736

Standard colour: Yellow

Material: PA 6

**Better fit.**

Suitable for internal threads in accordance with to DIN 3852-1, ISO 11926.

**Seals better.**

The circumferential sealing lip (no mould-parting feature) prevents the penetration or leaking of liquids depending on the application.

**More robust.**

Made from premium, impact-resistant polyamide.

**Better.**

Installation either with screw driver or spanner. Particularly suitable for processes like cleaning, testing, painting or for transport.

**Faster.** With the BIT-73X.

The BIT-73X assembly tool facilitates the installation of all sizes of sealing plugs of the standard series GPN 735, 736, 737 and 738.

For further information, please refer to page 110.

Suitable for external
